

December 12-13, 2023 Albany, NY

New York State Public Health Corps Fellowship Summit

“Building Partnerships that Strengthen Public Health”

Systems, Infrastructure, Capacity, and Equity

Call for Poster and Oral Presentation Abstracts

On December 12-13, 2023, the New York State Public Health Corps (NYSPHC) Fellowship Program will host its second annual Fellowship Summit in Albany, NY.

The New York State Public Health Corps welcomes your poster and presentation abstract proposals that highlight the important work being done by Fellows with their State and Local Health departments and host organizations.

The Fellowship Summit will be guided by an overarching theme and supporting tagline:

Theme: *Building Partnerships that Strengthen Public Health*

Tagline: *Systems, Infrastructure, Capacity, and Equity*

Keeping in mind this year's theme and tagline, please tailor your submission around one or more of the following program tracks:

- Administration
- Communications Support
- Emergency Preparedness
- Epidemiology and Data Support
- Laboratory Reporting
- Partnership Development
- Program Planning and Implementation
- Vaccination and Testing Site Support

As a person involved with the NYSPHC Fellowship program who will have a long-lasting impact on the public health workforce, we invite you to be part of the NYSPHC Fellowship Summit!

How to Submit an Abstract:

- [Click here](#) to create your Cadmium account.
- Abstracts may be in one of the following formats: poster presentation, oral presentation, or workshop presentation.
- Applicants may submit more than one abstract for consideration.
- All abstracts are subject to review by Public Health Corps staff.
- All abstract proposals must be submitted by July 21, 2023, at 11:59 pm EST.
- Applicants will be notified by August 25, 2023, if their abstract has been accepted for presentation.

We truly hope you will be part of the Summit!

Please contact us at NYSPublicHealthCorps@health.ny.gov if you have any questions or concerns.

Thank you!
