# What is the Public Health Partnership Conference?

- Put on by NYSPHA with partners from NYS Association of County Health Officials and NYS Association for Rural Health
- This conference is designed for public health educators, academic staff, county health officials and employees, students, medical and dental practitioners, state health employees and others in the field of public health, education and medical care

# Call for Abstracts: “Building Trust in Public Health to Foster Health Equity”

- Innovative Public Health Communication Strategies
- Addressing Health Equity and Health Disparities
- Recruitment and Retention Strategies for Enhancing Public Health Infrastructure
- Supporting Diverse Populations in Communities
- Improving Mental Health and Wellbeing
- Building Public Health Partnerships and Collaborations
- Protecting Against Climate Change and Environmental Health Risks

# Abstract Submission Format Options

- **Breakout Session:** The presenter(s) will organize the presentation and supporting materials for a captivating session for 15-20 minutes. Presentations will be grouped with 3 others unless otherwise requested. Session length will allow enough time to engage with audience for discussion and Q&A at end.
- **Poster Presentation:** Public health professionals are invited to submit abstracts for poster presentation during one 60-minute session. Poster must be staffed/presented by a minimum of one author during the session. *(Note: This is a separate call from the student poster session. There will be a call for student only posters in March 2024.)*

# Additional Guidelines

- Innovative submissions are characterized by, but not limited to, new or creative ideas, cross-sector collaboration, and the dynamic state of change inherent in public health transformation.
- Presentations will be grouped with others in one session, unless otherwise requested.
- It is recommended that ONE author deliver the presentation within the 15-20 minute time frame but other presenters may elect to attend to answer questions and assist.
- Requests for more than 20 minutes may be made on the abstract submission form but space for longer presentations is very limited.

# Proposal Requirements

- Presentation title (short, descriptive).
- Presentation description (no more than 350 words; be detailed so the review committee has as much information as possible to best evaluate your program; address evidence-based methods and how the program promotes attendance).
- Abstract/Program Book Listing (100-125 words; concise and accurate; describe and “sell” the program to conference attendees).
- Three learning objectives written in measurable terms.

# How to Submit

- Proposals must be submitted online via the abstract submission website: (<https://app.oxfordabstracts.com/stages/6731/submitter>)
- Submissions must be made by 11:59 PM on October 20, 2023.

slido

**Have you ever written an abstract for a conference before?**
