

LMS FOR FELLOWS: VIEWING ED SERIES CONTENT

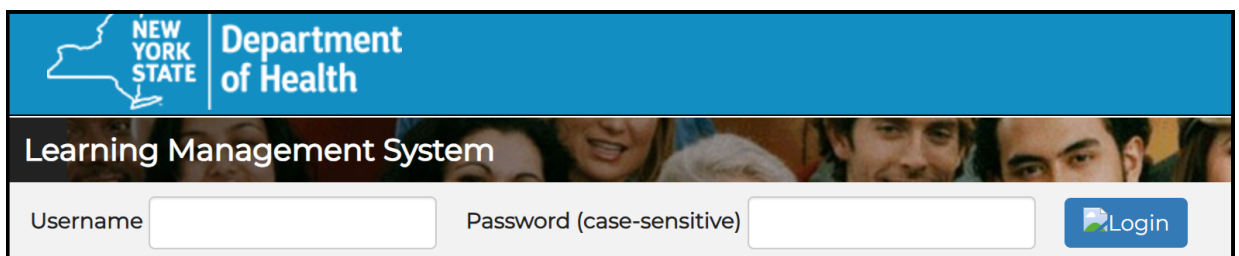

NYLearnsPH LMS <https://www.nylearnsph.com>

Welcome to the LMS!

We hope you are enjoying the New York Learns Public Health (NYLearnsPH.com) Learning Management System (LMS) so far! This guide outlines how to access and view Educational Series courses in the LMS.

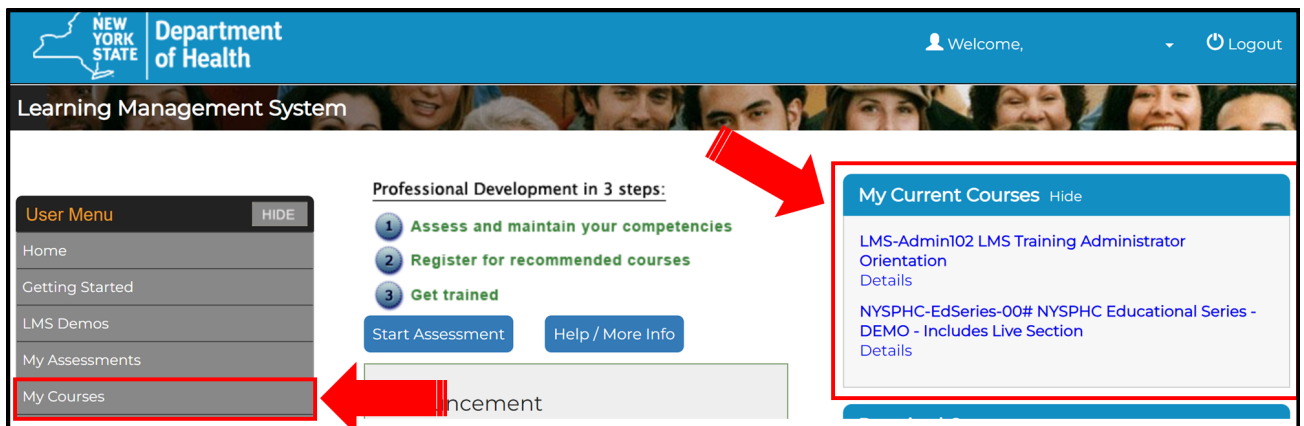

Here's how to get started:

Step 1: Start by navigating to the [NYLearnsPH Log in Page](#) (shown below) and log in using your username and password.

The screenshot shows the login page for the NYLearnsPH LMS. At the top, there is a blue header with the New York State Department of Health logo and the text "Department of Health". Below this is a banner for the "Learning Management System". The main content area contains a login form with two input fields: "Username" and "Password (case-sensitive)". To the right of the password field is a blue "Login" button with a white arrow icon.

Step 2: Once you are logged in and on the LMS home page, the Educational Series courses can be accessed on the LMS homepage under **My Current Courses**, or by clicking on **My Courses** in the navigation menu on the left. Click on **Home** in the navigation menu to return to the homepage.

The screenshot shows the LMS home page after login. The header includes the Department of Health logo, the text "Department of Health", and a user profile section with "Welcome," and a "Logout" button. Below the header is a banner for the "Learning Management System". The main content area is divided into several sections. On the left is a "User Menu" with a "HIDE" button, containing links for "Home", "Getting Started", "LMS Demos", "My Assessments", and "My Courses". In the center is a "Professional Development in 3 steps" section with three numbered steps: "1 Assess and maintain your competencies", "2 Register for recommended courses", and "3 Get trained". Below these steps are two buttons: "Start Assessment" and "Help / More Info". On the right is a "My Current Courses" section with a "Hide" button, listing two courses: "LMS-Admin102 LMS Training Administrator Orientation" and "NYS-EdSeries-00# NYS-EdSeries Educational Series - DEMO - Includes Live Section". Red arrows point from the "My Courses" link in the User Menu to the "My Current Courses" section, and from the "Start Assessment" button to the "Professional Development" section.

Step 3: You can access the courses, and also a variety of tools to help you interact with the courses, by clicking on **My Courses** in the User Menu on the left side of the page.

- **My Courses** is where users can access a learning transcript which includes current and completed courses and programs.

- You can navigate around **My Courses** by selecting any of the tabs across the top including **Pending, Current** and **Completed Courses, Current** and **Completed Programs, and LMS Activity Report.**
- From **My Courses – Current Courses** you can view **Section Details**, use the **Messaging** tool, **Launch** online courses, complete online Quizzes/Activities (e.g., Evaluations) or **Un-enroll** from a course.

The screenshot shows the 'My Courses' interface. On the left is a 'User Menu' with options like Home, Getting Started, LMS Demos, My Assessments, My Courses, Course Catalog, Conference, Calendar, Announcements, FAQ, Links, and Contact Us. The main content area has a 'My Courses' header and a navigation bar with tabs: Pending Courses, Current Courses, Deleted/Incomplete Courses, Completed Courses, Current Programs, Completed Programs, and LMS Activity Report. Below the tabs is a 'Course Keyword Search' box with a 'Search' button. A table lists courses with columns for Course Name, Section, and Activities/Quizzes. Two courses are visible: 'LMS-Admin102 LMS Training Administrator Orientation' and 'NYSPHC-EdSeries-00# NYSPHC Educational Series - DEMO - Includes Live Section'. Red arrows point to the 'Default Tab' (Current Courses), the 'Unenroll' button, the 'Section' column, and the 'Certify Completion - due' link.

Course Name	Section	Activities/Quizzes
