

# BUILDING PARTNERSHIPS THAT STRENGTHEN PUBLIC HEALTH

K. Simone Curry, Public Health Fellow I • Onondaga County Health Department

## Building Equity in Onondaga County

Helping pregnant and postpartum women to attain their full potential for health and wellbeing using a holistic approach.

54% of households in the city of Syracuse with children under the age of 18 belong to single-parent homes

PEACE, Inc. has 9 anti-poverty services and programs, including HeadStart/Early HeadStart

## Outreach & Engagement

This Mommy Focus Group is in partnership with PEACE, Inc.

Our moms group ensures that participants have support and community for this new milestone in their lives.

## Key Focus

- 1 Reduced rates of PMADs\*
- 2 Improved Wellness and Wellbeing
- 3 Building Community
- 4 Motivation and Purpose
- 5 Creative Thinking and Resources

\*Perinatal Mood and Anxiety Disorders, including postpartum depression

Made possible by these collaborations & community partnerships:
