

NYSPHC Educational Series

Educational sessions will take place on the second Wednesday of every month from 12-1PM

The New York State Public Health Corps (NYSPHC) Educational Series is returning to offer live monthly educational sessions addressing the Core Competencies of Public Health!

Each meeting will be 60 minutes long with about 40 minutes of content and 20 minutes of Q&A or discussion. Registrants will be provided with an agenda and learning objectives prior to the learning session. Recordings of the meetings will be posted to the [Training Resource Center website](#).

Coming Soon:

Beginning in 2024, Fellows will have the ability to receive a professional development certificate of completion for viewing the Educational Series courses in the LMS and answering the associated quiz questions! When an Educational Series event has concluded, we encourage you all to complete the associated quiz for the session to receive credit towards the future Educational Series Certificate program.

Upcoming Sessions:

NYS Prevention Agenda 2019-2024: New York State's Health Improvement Plan
Wednesday, January 10th, 2024- 12pm-1pm

Workplace Wellness

LMS Information:

Fellows will now access the live Educational Series events through the New York Learns Public Health (NYLearnsPH) Learning Management System (LMS)!!

If you experience any challenges accessing your account, please go to the [NYSPHC Training & Resources website](#) for guidance or contact LMS Support at edlearn@health.ny.gov or call 518-473-4223 (Press 3 for Abbey)

Learning Objectives:

To provide program participants with opportunities to expand their skill sets and knowledge on emerging public health activities, programming, and state priorities. The PH WINS evidence-based core competencies provide the foundation for the NYSPHC education and training sessions for program participants to ensure an effective and knowledgeable public health workforce.
