Planning + Community Partnerships

A powerful call to action against the enduring legacy of racial segregation in the United States.

Rothstein explores how government policies and laws have systematically perpetuated segregation, particularly in housing, and offers a roadmap for challenging these inequities.

With meticulous research and a passionate plea for justice, Rothstein empowers readers to advocate for change and work towards dismantling the deeply embedded structures of segregation within the legal framework.

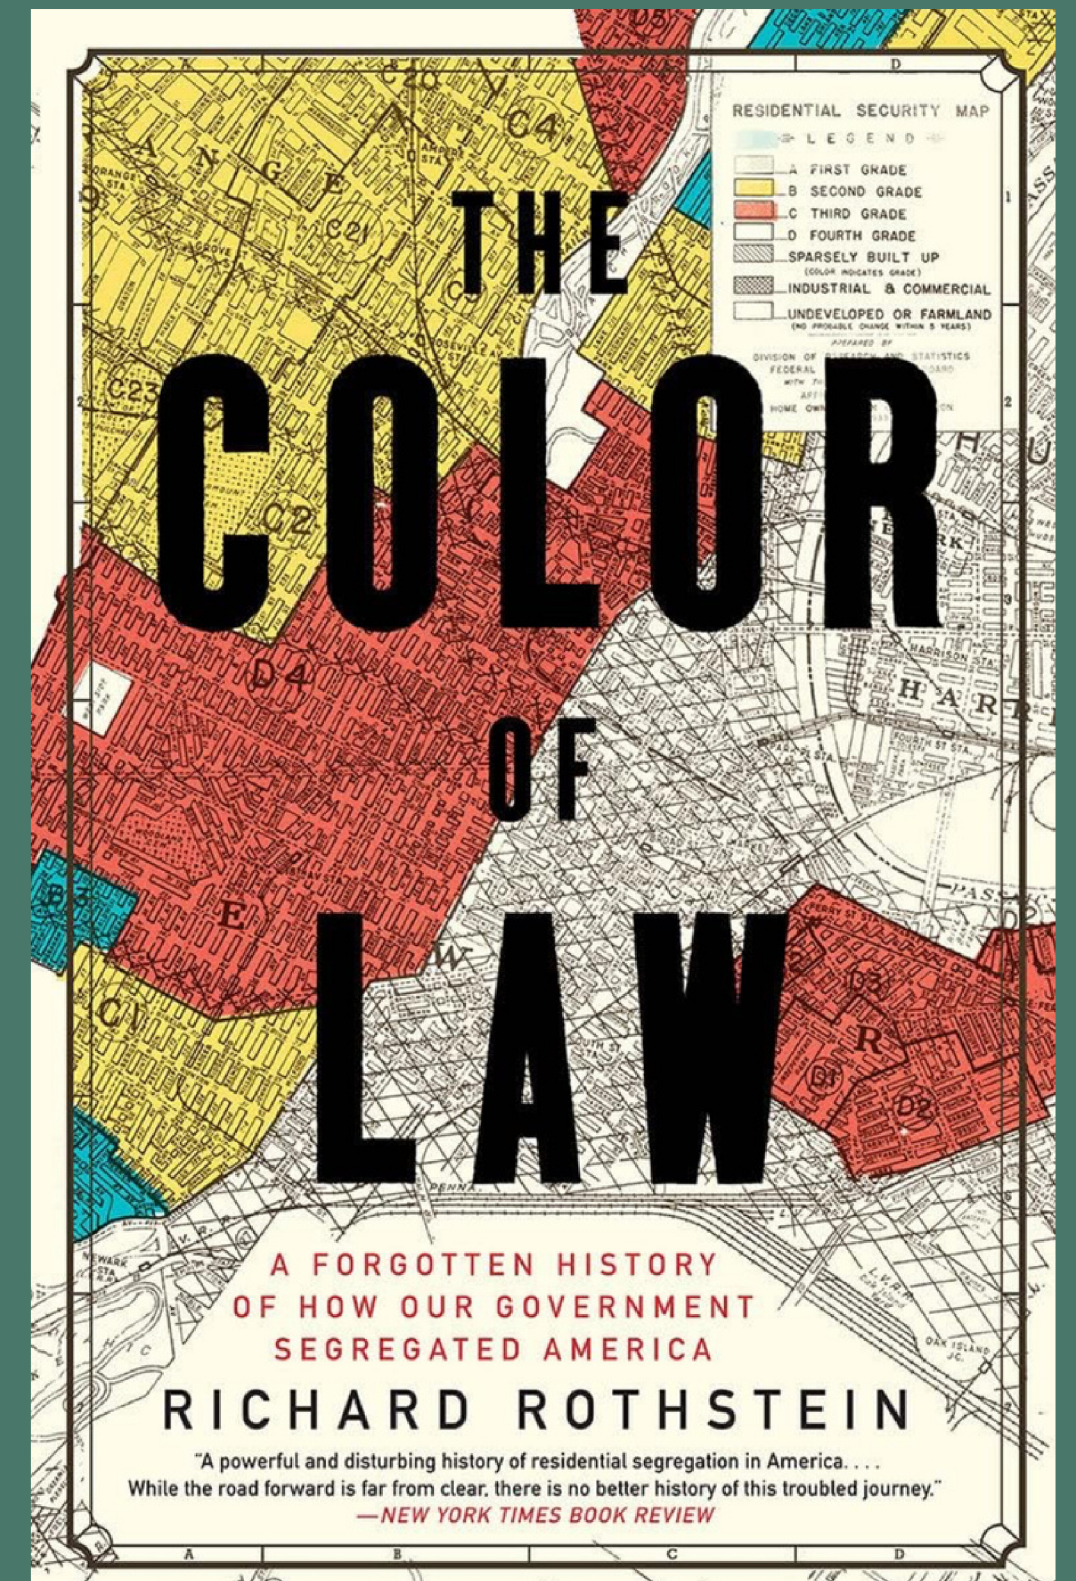

Planning + Community Partnerships

A groundbreaking exploration of how government policies have enforced racial segregation in housing across America.

Rothstein's meticulously researched book unveils the history of discriminatory practices and their enduring consequences on minority communities.

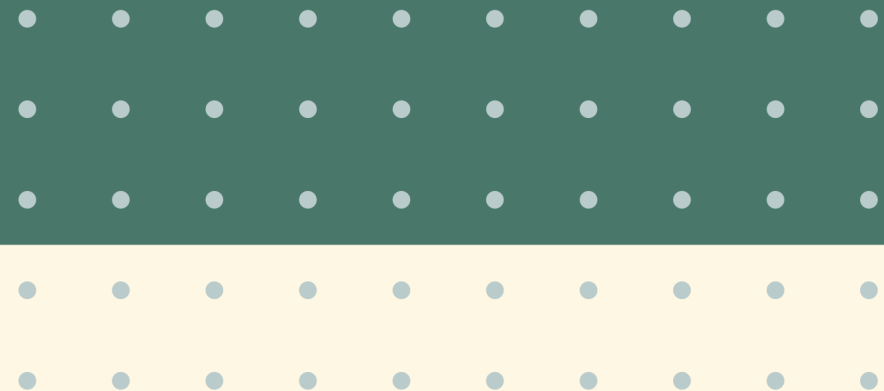

With compelling evidence and powerful insights, it calls for a collective understanding of the role of government in perpetuating racial inequality and the urgent need for policy reforms to rectify these injustices.
