NYLearnsPH LMS <https://www.nylearnsph.com>

Welcome to the LMS!

We hope you are enjoying the New York Learns Public Health (NYLearnsPH.com) Learning Management System (LMS) so far! This guide outlines how to access and view Educational Series courses in the LMS.

Here's how to get started:

Step 1: Start by navigating to the [NYLearnsPH Log in Page](#) (shown below) and log in using your username and password.

Step 2: Once you are logged in and on the LMS home page, the Educational Series courses can be accessed on the LMS homepage under **My Current Courses**, or by clicking on **My Courses** in the navigation menu on the left. Click on **Home** in the navigation menu to return to the homepage.

Step 3: You can access the courses, and also a variety of tools to help you interact with the courses, by clicking on **My Courses** in the User Menu on the left side of the page.

- **My Courses** is where users can access a learning transcript which includes current and completed courses and programs.
- You can navigate around **My Courses** by selecting any of the tabs across the top including **Pending, Current** and **Completed Courses, Current** and **Completed Programs, and LMS Activity Report.**
- From **My Courses – Current Courses** you can view **Section Details**, use the **Messaging** tool, **Launch** online courses, complete online Quizzes/Activities (e.g., Evaluations) or **Un-enroll** from a course.

The screenshot shows the 'My Courses' interface. On the left is a 'User Menu' with options like Home, Getting Started, LMS Demos, My Assessments, My Courses, Course Catalog, Conference, Calendar, Announcements, FAQ, Links, and Contact Us. The main area has a 'My Courses' title and a message about registering for Required and Recommended Courses. Below this are navigation tabs: Pending Courses, Current Courses (highlighted as 'Default Tab'), Deleted/Incomplete Courses, Completed Courses, Current Programs, Completed Programs, and LMS Activity Report. A search bar is present with the text 'Course Keyword Search' and a 'Search' button. A table lists courses with columns for Course Name, Section, and Activities/Quizzes. Two courses are visible: 'LMS-Admin102 LMS Training Administrator Orientation' and 'NYSPHC-EdSeries-00# NYSPHC Educational Series - DEMO - Includes Live Section'. The second course has a '9/20/2023' deadline and a 'Certify Completion - due' button highlighted in red. Red arrows also point to the 'Unenroll' buttons and the 'Details' link for the second course.

Congrats! You have successfully accessed the Educational Series on the LMS.
