

New York State Public Health Corps (NYSPHC) Educational Series Session Information

Please complete the following form to assist with creating promotional items for your upcoming NYSPHC Educational Series session. This information will also be utilized for the New York Learns Public Health (NYLearnsPH) Learning Management System (LMS) which is the learning platform Fellows will use to participate in each NYSPHC Educational Series sessions. The LMS is a web-based tool designed to facilitate the registration and tracking of learners in competency-based courses for staff in state, local public health, and allied health agencies throughout New York. The information in this form will be used to populate the course within the LMS including a recording of your presentation once it has concluded. **As a reminder, if you agree to present for the NYSPHC Fellowship Educational Series, a recording of the presentation and information about the event will be publicly available on the LMS for all users.**

- 1. Presenter Name:**

- 2. Presenter Pronouns:**

- 3. Presenter Email & Phone Number:**

- 4. Presenter Bio (4-6 sentences):**

- 5. Presenter Headshot (please include your headshot as an attachment when submitting this form).**

- 6. Presentation overview (3-5 sentences)**

7. Session Learning Objectives: Please develop 3-5 session learning objectives for your session utilizing the Bloom's Taxonomy method.

Each learning objective should include: (One measurable action verb) + (one outcome) + (one specific area of applicability)

Examples using [Bloom's Taxonomy](#): _

By the end of this training, learners will be able to:

- Recognize themes voiced by NYS women related to disparities in maternal health and health care to inform their practice.
- Identify New York State initiatives, community approaches, and changes in clinical systems to address disparities in maternal health and health care.
- Describe how greenhouse gas emissions produced through human activity are leading to changes in the climate that may affect health.
- Summarize the benefits of certification as a Climate Smart Community.

8. Post event quiz questions: Please develop 3-5 post event quiz questions utilizing your session learning objectives. These can include multiple choice and true/false questions. Questions cannot have more than one answer. For example, do not ask the participant to "select all that apply" or "Answers may include A & B, C & D, All of the above, None of the above."

9. Do you give permission for the NYSPHC program to share the session information on the NYLearnsPH LMS? By agreeing, all LMS users will be able to enroll in the course view the following information from your session:

- Session recording
- Course description (includes session overview & learning objectives)
- Presenter contact information & bio
- PDF of slides

Yes, I give permission for the NYSPHC program to share the information above on the NYLearnsPH LMS.

No, I do not give permission for the NYSPHC program to share the information above on the NYLearnsPH LMS.
