

Fellows are encouraged to read Fellow Spotlight and Public Health Expert bios prior to the Consortium Meeting to prepare questions for the breakout rooms. This list of sample questions can be used as a guide for those discussions. Please note that you are not limited to these questions or topics.

Sample Questions for Public Health Professional Breakout Rooms

1. What do you do in public health?
2. How did you get started in public health? Was it intentional?
3. How did you get from your first public health job to where you are now? Are you working on the same public health focus area as before?
4. Of the projects that you've worked on so far, which have been most impactful on your experience in public health?
5. What do you want the new generation of public health leaders to know as they are entering this dynamic field?
6. Do you have any job search advice for the NYSPHC fellows who are looking for long-term public health careers?
7. Would you like to connect on LinkedIn to continue the discussion offline?

Sample Questions for Spotlight Presenter Breakout Rooms

1. What made you choose the Fellowship Program? Is this your introduction to public health?
2. What have you enjoyed about your current project, and what have you learned?
3. What challenges have you encountered in your current project, and how did you address them?
4. Other than your specific role, what roles or departments within public health appeal to you?
5. Looking forward, are there specific aspects of public health that you would like to know more about?
6. Of the projects that you've worked on so far, which have been most impactful on your experience in public health?
7. What are you hoping to do after completing the Fellowship?
8. Would you like to connect on LinkedIn to continue the discussion offline?
