Step 6: Submit a Quiz - Answer the questions and be sure to click “Submit” to complete the quiz.

After you take a civil service exam, you will be immediately appointed to a position within a state agency.

Taking civil service examinations increases your opportunity to be canvassed for a position in a state agency.

According to civil service law, you may only take one exam per year.

Which of the following is NOT a beneficial practice for obtaining a position within a New York State agency?

Using the same cover letter to apply to all positions.

Staying informed of and taking any examinations for which you are eligible.

Searching the statejobs.ny.gov website regularly for a list of open positions across all agencies.

Consulting with Human Resources when you have questions about finding/applying to a position.

What is the only reliable way to stay informed about when civil service examinations are taking place?

Check in with your supervisor and co-workers weekly.

Sign up for exam announcements and view a tentative exam calendar on the civil service website.

Wait to be notified by colleagues at the state about upcoming opportunities.

As an HRI or NYS employee, you will automatically be notified about upcoming exams.

This quiz and course completion will be counted toward the NYSPHC Certificate Program.

Congrats! You have successfully accessed the Educational Series on the LMS.
