General questions can be directed to NYSPublicHealthCorps@health.ny.gov

Fellowship Placement Coordinator (FPC)

FPCs coordinate Fellowship placement activities, such as the Consortia, Educational Series, and Summit for Fellows' professional development. They are the primary point of contact for Host Organizations and communicate regularly with supervisors and the Public Consulting Group (PCG) on hiring, onboarding, and maintenance.

Fellowship Program Specialist (FPS)

FPSs provide program promotion for the NYSPHC Fellowship Program to increase community engagement with the NYSPHC program. They facilitate data analyses and performance management activities for the NYSPHC Fellowship Program and assist in the management of the Fellow professional development opportunities.
